

“Lets Build NOtoGMO MOSAIC Together !”

We invite you to “Lets Build NOtoGMO MOSAIC Together” project.

What does “No to GMO” mean to you?

Draw it, paint it, add graphical components and create your own piece of mosaic.

Send it to us.

Let your mosaic piece become a part of NOtoGMO MOSAIC.

To give “NO to GMOs” message graphically,

To increase public awareness of GMOs’ risks and dangers,

To bring together organizations, activists, people working to stop GMOs globally,

NOtoGMO Platform started “Lets Build NOtoGMO MOSAIC Together” project.

First pieces of “NOtoGMO MOSAIC” will be exhibited during Ecology Istanbul 2006 Fair on the dates 6th-9th April 2006 in İstanbul.

Every mosaic would be made on a 25 cm by 25 cm (length, width) carton.

This invitation is for all people and organizations that would like to be a part of “NOtoGMO MOSAIC”.

All mosaics can be used by NOtoGMO Platform by indicating piece owners’ name in the future.

This project will be one of the activities organized for JIGMOD (Joint International GM Opposition Day-8th April 2006) in Turkey

Please send your mosaics to: **TMMOB Ziraat Mühendisleri Odası
Caferağa Mah. Neşet Ömer Sok. No:19/8 Kadıköy
